Support these awesome local businesses

Welcome to the 2021 Cappies, our annual celebration of the best in our business community. We've been doing this for 12 years, and this year's Cappies has by far drawn the most reader interest. And that makes sense. This past year clarified many things in our lives. Among them is the importance of our local businesses, and the role they play in our economy and our communities.

In past years, we'd average about 3,000 votes. This year, we shifted to an online voting system that made it easier for readers to show support for their favorite ice cream

shop, or the best romantic dinner in central New Hampshire. And, boy, did they ever. In total, readers cast more than 50,000 votes through two rounds.

The Cappies has always been about building buzz around our local businesses. In the following pages, you see the top vote-getters in categories from dining and entertainment to health care and recreation. We congratulate all the winners. But more than anything, we want to recognize all of the businesses and employees who braved the most challenging of years.

Thank you! And here's to a better year ahead.

Read the paper without the paper

Ask any group how they like to get their news, and the chorus of responses will sound something like this: “Website. Phone. Paper. Facebook. Newsletters. Podcasts. Friends.” We’re increasingly hearing “E-Edition” added to the list, and with good reason. A growing number of our readers think the e-edition – which is more easily defined as a digital replica of our paper – serves as a valuable bridge between the traditional benefits of a newspaper and the technical advantages of our online world. For the many who still don’t quite know what it is, we’re taking this time to introduce to you our e-edition, where you can get the day’s news – or the news of the past month – in a newspaper format that’s meant to feel familiar.

OH, ALL THE BUTTONS!

HOW YOU WANT IT: Use to adjust settings for viewing. You can choose a single or double click to zoom, lock the article view or open more settings for a new window of options.

QUICK GLANCE: A thumbnail view of the entire paper, broken down into sections. From this view you can download individual or groups of pages. This is helpful if you want to email something or print.

SECTIONS: No matter where you are, this brings you to the main menu of the paper and allows you to quickly go to the section you want.

SETUP: Use to log out or manage your account.

GO BACK IN TIME: This will give you a thumbnail view of the past 30 editions of the Monitor. Once you click the thumbnail, you’ll be able to view that day’s full edition.

FIND IT FAST: Remember seeing a story or advertisement, but can’t remember what issue it was in? This feature allows you to search and view one month of any type of content by keyword, content type or date without having to open up an individual edition.

FAQs: A page of frequently asked questions. Some examples: “How do I print puzzles and other content?” and “Can I print the article I’m viewing, or share it with someone else?”

ALERTS: You can submit your email and receive an alert when an article is posted with a specific search term. If you get the alert, you can unsubscribe from here. too.

ADJUST: This resizes the page view to fit your browser window.

IN YOUR CONTROL

Sheet icon: Toggle between replica view and plain text view; A – and A + icons: Decrease or increase size.

ACCESS OPTIONS

The speaker translates to text to speech; From here, you can select the printer icon or the share icon to send by Twitter or email.

NAVIGATION OPTIONS The left and right arrows allow you jump quickly scroll from one story to the next. The middle button sends you to the index so you can easily select any story no matter where it is in the paper.

CAN I GET SOME HELP?

YES, WE'RE HERE TO HELP

If you’re having trouble with setup, visit our site at concordmonitor.com/Reader-Services/FAQ for some video and written instructions on how to activate your digital subscription and how to navigate the e-edition. If that hasn’t answered your question, email news@cmonitor.com.

HOW TO GET IT

JUMP RIGHT IN

Are you a print or digital-only subscriber? If so, you already have access. Now, you just need to sign in. You can do so from the Subscribe button atop our website. Others can follow that same link to set up a subscription.

To access it, just select E-Edition at the top of concordmonitor.com.

WHAT DEVICES

GET THERE FROM OUR SITE OR OUR APP

You can view it from a smartphone, a tablet or a desktop. For the desktop version, just go to concordmonitor.com and select “E-edition” in the top-right corner. To view on a smartphone or tablet, you’ll first have to download the free app. To get it, go to the Apple Store or Google Play and search for “Concord Monitor.” Either way, the full digital replica of the paper will arrive as usual by 6 a.m.

Full & Broad Spectrum CBD:

We use phytocannabinoid rich (PCR) hemp that has a naturally high CBD level, and an abundance of other beneficial cannabinoids (CBG, CBN, CBC), as well as flavonoids, terpenes, and essential amino acids

Independent Third Party Lab Testing:

We manufacture and sell superior, high quality CBD products. We are not scared to have an unbiased, outside source verify that for our customers! We include the product name, the MG-Batch Code and photo of product at the lab - Correct Potency-Pesticide Free-Solvent Free-Heavy Metal Free-Mold / Microbial Free always!

Manufacturing and Extraction Process:

SunMed sources organically grown hemp from Colorado which has been certified by the Department of Agriculture and uses a CO₂ extraction process, which eliminates the need for chemical solvents. This creates unique synergies that increase efficacy, target specific ailments, and increase the binding of CBD.

CBD PRODUCTS HAVE NOT BEEN EVALUATED BY THE FOOD AND DRUG ADMINISTRATION AND ARE NOT INTENDED TO DIAGNOSE, TREAT, CURE, OR PREVENT ANY DISEASE. CONSULT YOUR PHYSICIAN BEFORE USE. FOR ADULTS OVER 18+

From the very first visit here at Crossroads I felt very comfortable and welcomed. I was excited to get started on my path to wellness and I believe I am already feeling the difference!

My experience has been wonderful! The staff is so friendly and cares about my health. It's a friendly atmosphere and everyone knows me by name right as I walk in the door!

Stacy B

I have one word that expresses how I feel about Crossroads Chiropractic - positive! That includes my experience, the people who work here, my results, all the feedback and workshops. Positive!

George Z

All of the staff are caring, skilled and very positive! Their concern and care have helped me greatly.

Sylvia D

I think everyone has a great smile and greets us and makes me feel like I am part of the family. I look forward to my adjustment every week.

Marc N

Best health choice I've made!

Bernie L

Staff has always been friendly, knowledgeable and professional. From my first adjustment it has improved my posture, lower back and sciatic nerve pain. I've had this pain since the early 80's, Dr. Stephanie said she could make a difference and she and her staff have.
